

CRIPPLED AND STARVED

Casey was hit by a car and was never given any medical attention. CASEY CANNOT WALK ... the pain she's had to endure is unimaginable ... but that's not all, her owner starved her. Casey's frail body doesn't keep her spirit down. We need your help to continue to give Casey the intensive treatment and care she needs while we find her the family she deserves.

Please help us by making a donation to Casey's care.

Our rescues would not be possible if it weren't for your generous support.
