

LUCKY TO BE ALIVE

Practically beaten to death. It's difficult to imagine someone could harm such a sweet little dog, but her owner did just that, beating and choking her, leaving her with several broken ribs, her forearm broken in two places and a pulmonary contusion. It's a miracle this little girl is alive and recovering.

Please help us by donating to her care.

Our rescues would not be possible if it weren't for your generous support.
